

JOSHUA SAM D. SUAREZ

Dona Pilar, Sasa Davao City, 8000 | suarezchaching12@gmail.com | +639063670660 | jsdsuarez.vercel.app

Education

Ateneo de Davao University (2021 – Present)
BS Information Technology

Davao City
June 2026

Experience

Infinity Hub Digital Marketing
Full-Stack Developer

Davao City
December 2025-April 2026

- Contributed to the development of GBPI and HRMS (Human Resource Management System) to streamline HR processes and operations
- Collaborated with a team to develop a KPI and Performance Evaluation Module to track and assess employee performance
- Participated in system optimizations to improve overall application performance and reliability

Projects

BabyGlo Baby Products Distributor Website
Full-Stack Developer

Davao City

- Designed a comprehensive management system for a home-based retail distributor serving pharmacies and retailers across Mindanao
- Analyzed current business processes and identified operational inefficiencies in manual inventory tracking, order management, and financial record-keeping
- Developed six integrated modules: Customer Account Management, Sales Management, Delivery Management, Financial Management, Order Management, and Inventory Management

Sosit! Personal Safety App
Full-Stack Developer

Davao City

- Developed an IoT-enabled panic button accessory utilizing ESP32-S3 microcontroller and Bluetooth Low Energy (BLE) for real-time emergency alert transmission
- Integrated smartphone GPS tracking, Supabase cloud database, and Firebase Cloud Messaging (FCM) to deliver instant notifications to emergency contacts and authorities.
- Performed extensive testing and debugging, ensuring system reliability.
